

| <i>Current assessment and revision skills</i> | <i>tick</i> |
|--|--------------------|
| I identify in advance the format of the exam and what it is for. | |
| I identify in advance what the examiner wants. | |
| I can use the following revision and exam techniques for: | |
| ▪ selecting material and checking my understanding | |
| ▪ identifying questions | |
| ▪ relating topics (content) to each question | |
| ▪ making summaries and “flash cards” | |
| ▪ making lists | |
| ▪ making and listening to tape-recordings of materials | |
| ▪ self-testing | |
| ▪ concentration | |
| ▪ working in a pleasant environment | |
| I make a revision plan | |
| I monitor my revision progress and amend my revision plan | |
| The first ten minutes I spend on: | |
| ▪ Clarifying the instructions. | |
| ▪ Identifying what the questions mean and what is required. | |
| ▪ Deciding which question to answer in what order. | |
| ▪ Planning how much time to allocate to the questions. | |
| I plan answers. | |
| I use appropriate evidence for my statements. | |
| I present my information neatly. | |
| I do a final check of my work. | |
| I identify what I need to improve | |
